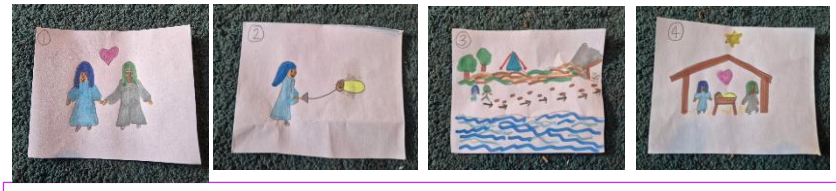
Could you create the story of Jesus birth using only images? The challenge will be ensuring that your story makes sense to someone else who is reading it. For instance: Below are some pictures for the Christmas story. Could you retell it using them? If you enjoyed that, you could make up your own story using images and see if someone else can tell what is happening.



A prayer for when you go on a journey:
Jesus, please be with me on my journey.
Amen.

When a jorney goes wrong

The Birth of Jesus

At that time Emperor Augustus ordered a census to be taken throughout the Roman Empire. When this first census took place, Quirinius was the governor of Syria. Everyone, then, went to register himself, each to his own hometown.

Joseph went from the town of Nazareth in Galilee to the town of Bethlehem in Judea, the birthplace of King David. Joseph went there because he was a descendant of David. He went to register with Mary, who was promised in marriage to him. She was pregnant, and while they were in Bethlehem, the time came for her to have her baby. She gave birth to her first son, wrapped him in cloths and laid him in a manger—there was no room for them to stay in the inn.
