Ep 3: Firm Foundations and Truth

Bible Text: **Matthew 7**

Connect: think | write | doodle

Pray: in | out | up

Not Judging: make an extra effort to not judge others this week and instead think about what makes you want to find others at fault.

Awareness: Spend some time examining your life and the 'fruit that you bear.' Is there a particular message of Jesus, a saying or an act of ministry that you could build into your life, in order to bear good fruit?

Truth: as you read and listen to various sources this week ask if it measures up as truth next to Jesus.

Which **image** from this passage significant for you?

What is most **difficult** for you in this passage?

When do you feel like the **wise** builder or like the **foolish** builder?

Ask and it will be given to you, seek and you will find, knock and the door will be opened to you.

IN – Ask God for something you need; ask God a question you need answering; ask God for direction in a decision you are making – ask in faith through Christ.

OUT – Seek – ask God to how to share your gifts, resources, time and faith with others this week.

UP– Knock – imagine being outside the room where Jesus is, knock on the door, hear His answer that the door is open and you are most welcome, and go into His presence – spend time there together. Listen to some worship music if that is helpful ([link 1](#), [link 2](#)).
