BETWEEN:

- (1) **THE UNITED REFORMED CHURCH** (the "**URC**"); and
- (2) **THE UNITED REFORMED CHURCH MINISTERS' PENSION TRUST LIMITED** (the "**Pension Trustee**").

BACKGROUND:

- (A) The United Reformed Church Ministers' Pension Fund (the "**Fund**") was established by an interim trust deed dated 29 May 1980 and is currently governed by a Definitive Trust Deed with Rules attached as approved by the General Assembly of the URC in 1993 as amended (the "**Current Trust Deed**" and the "**Current Rules**").
- (B) Under Clause 9 of the Current Trust Deed the URC (acting in General Assembly) may at any time alter or modify all or any of the provisions of the Current Trust Deed with the consent of the Pension Trustee.
- (C) Under Rule 34.1 of the Current Rules the URC (acting in General Assembly) may revoke, add to or alter the Current Rules, provided no amendment shall be made until a report on its financial effect on the Fund has been obtained from the Actuary. A report on the financial effect on the Fund of this Deed has been received by the URC.
- (D) The URC wishes to revoke the Current Trust Deed and Rules in its entirety and replace it with the Rules attached to this Deed (the "**New Rules**"). The New Rules set out the benefits payable to or in respect of any person who is or has been a beneficiary under the Fund and also contain various provisions and powers presently set out in the Current Trust Deed. Any person admitted as a Contributing Member up to and including [date] will remain a Contributing Member subject to and in accordance with the New Rules.
- (E) The amendments made by this deed are not regulated modifications of the Fund within the meaning of section 67A(2) of the Pensions Act 1995.

IT IS AGREED AND DECLARED that with effect from 1 January 2015:

1. The URC replaces the Current Trust Deed and Rules with the New Rules and the Pension Trustee consents to the replacement of the Current Trust Deed as evidenced by its execution of this deed.
2. The types, timings and amounts of all benefits payable under the Fund are determined in accordance with the New Rules save that the adoption of the New Rules is not itself intended to result in the recalculation of:
 - 2.1 the amount of any pension in payment; or
 - 2.2 any other benefit that has already been paid,

but, for the avoidance of doubt, this Clause 2 does not prevent increases to pensions in payment in accordance with the New Rules.

THIS DEED has been executed and delivered by the parties on the date written at the top of the first page.

1.2 Interpretation

1.2.1 General: In these Rules, where the context allows:

1.2.2 words in the singular include the plural (and vice versa);

1.2.3 references to legislation include modifications, pre-enactments and re-enactments of, and regulations made under, that legislation and, if the legislation applies only to part of the United Kingdom, references to it also include any equivalent legislation applicable to other parts of the United Kingdom;

1.2.4 if a Rule is stated to be subject to legislation or a reference is made to the need to comply with legislation, and such legislation is repealed or ceases to apply to the Fund, then the reference to the legislation is ignored; and

1.2.5 a reference to a particular Rule includes a reference to any corresponding or comparable provision which it has replaced.

1.2.6 Benefits "for" a Member: In these Rules benefits payable "for" a Member include benefits payable to the Member and benefits payable by reason of his or her Membership to the Member's family, Dependants and other persons after the Member's death.

- 1.2.7 Headings and footnotes:** Headings above or at the beginning of text, and footnotes to text, are for convenience only and shall not affect the interpretation of that text.
- 1.2.8 Law:** The Fund is established under and governed by the law of England and Wales.
- 1.2.9 Spouse:** In the Rules any reference to a spouse includes a person of the opposite sex to whom a person is married, a person of the same sex to whom a person is married or a person who is the Civil Partner of a person.

1.3 Structure of the Rules

- 1.3.1** Benefits are payable under the Fund in accordance with the following parts of the Rules:
- 1.3.1.1** the **Main Section** of the Rules sets out the benefits payable in respect of Pensionable Service on and from 1 June 1971;
- 1.3.1.2** **Schedule 1** to the Rules sets out the benefits payable to and in respect of a member who has Pensionable Service before 1 June 1971 and which are payable in addition to his or her benefits under the Main Section;
- 1.3.1.3** **Schedule 2** to the Rules modifies the application of the Main Section of the Rules in relation to certain members (referred to in Schedule 2) in consequence of benefit changes made in 1993 and 2006.
- 1.3.1.4** **Schedule 3** to the Rules modifies the application of the Main Section and Schedule 1 of the Rules in relation to a member who opted out of the benefit changes adopted by the URC in 1993; and
- 1.3.1.5** **Schedule 4** to the Rules modifies the application of the Main Section of the Rules in relation to a member who opted out of the benefit changes adopted by the URC in 2012 (and which took effect from 1 January 2013). The following paragraphs prescribe the application or otherwise of Schedule 4 in relation to a member who opted out of the benefit changes, ceases to be in Pensionable Service after 1 January 2013 and then re-joins the Fund under Rule 2.4.1:
- (a) Where neither Rule 2.4.3 or Rule 2.4.4 applies and the member has two (or more) separate periods of Pensionable Service, Schedule 4 applies to just the period of Pensionable Service that was ongoing at the time the member opted-out of the benefit changes;
 - (b) Where Rule 2.4.3 applies, and the member's previous and latest periods of Pensionable Service are aggregated, Schedule 4 applies to just that part of the aggregated Pensionable Service that relates to membership as a Contributing Member up to and including the date on which the member first left Pensionable Service after 1 January 2013; and
 - (c) Where Rule 2.4.4 applies, and the period before during and after a period of absence is treated as one period of Pensionable Service

under Rule 2.4.5, Schedule 4 applies to that whole period of Pensionable Service.

1.4 Fund history

1.4.1 Under Section 22 of the United Reformed Church Act 1972 the Presbyterian Fund and Congregational Fund were amalgamated to form the Fund with effect from 1 June 1980.

2. MEMBERSHIP

2.1.1.1 any minister of the URC below Normal Pension Age at the date of ordination or induction into stipendiary service remunerated under the Plan for Partnership in Ministerial Remuneration; and

2.1.3 A person who may become a Contributing Member under the terms of this Rule but who does not join the Scheme at their first opportunity to do so may become a Contributing Member before reaching age 68 if so permitted by the Pension Trustee and URC.

2.2 Part-time service

2.2.1 Subject to Rule 2.2.2, for any year of Pensionable Service in which less than the Stipend is received by a Contributing Member because some of his or her service was part-time, only a fraction of that year, calculated as the ratio of stipend received to Stipend, shall rank as Pensionable Service.

2.2.2 If a Contributing Member serving full-time reduces his or her commitment to that of part-time service, the Pension Trustee may raise his or her Pensionable Service to the level applicable to a full-time minister or CRCW. When deciding whether to exercise the discretion under this Rule 2.2.2 the Pension Trustee shall have regard to the length of any previous full-time service, to the health of the member, to the fraction of Stipend being paid and to the purpose and pension provision made under any other employment. Where the Pension Trustee decides to exercise its discretion under this Rule 2.2.2, membership of the Fund will continue on normal terms but with contributions payable as if the member was receiving the Stipend.

2.3 Opting-out of membership

- 2.3.1** A Contributing Member may at any time on giving one month's notice in writing to the Pension Trustee opt-out of Pensionable Service.

2.4 Re-joining the Fund

- 2.4.1** A member who has ceased to be a Contributing Member and who is in full-time or part-time service in the URC may re-join the Fund as a Contributing Member of the Fund before reaching his or her 68th birthday, subject to this Rule 2.4. Except where Rule 2.4.3 or Rule 2.4.4 applies each period while a Contributing Member shall be treated as a separate period of Pensionable Service.

- 2.4.2** In relation to any member who becomes a Contributing Member under Rule 2.4.1 while already receiving a pension under the Fund in respect of a previous period of Pensionable Service, the Pension Trustee may determine that benefits (for example, but not limited to, benefits payable upon death) are provided on a different basis to those otherwise payable under the Rules.

- 2.4.3** Where a person becomes a Contributing Member under Rule 2.4.1, the Pension Trustee shall have discretion to aggregate, for the purpose of calculating benefits under the Fund, his or her previous period of membership with his or her latest period of membership. The Pension Trustee may only exercise this discretion where the member agrees in writing that he or she will not be entitled to benefits under Rule 8 in respect of any earlier period of membership.

- 2.4.4** Where a member becomes a Contributing Member under Rule 2.4.1 less than 12 months after the date on which his or her previous period of Pensionable Service ended, the period of absence will be treated as Pensionable Service provided that:

- 2.4.4.1** The URC and the Pension Trustee agree to such treatment; and

- 2.4.4.2** The URC and the member pay any contributions that would have been paid under Rule 4.1.1 and Rule 5.1.1 respectively had the member remained a Contributing Member over the period of absence.

- 2.4.5** Where Rule 2.4.4 applies the member will be treated as having one period of Pensionable Service in respect of the period immediately before during and after his or her absence.

- 2.4.6** Where the Pension Trustee exercises its discretion under Rule 2.4.3 or Rule 2.4.4 in respect of a member whose previous period of Pensionable Service included Pensionable Service before 1 January 2013, any pension accrued by reference to such Pensionable Service shall continue to be treated as such for the purpose of calculating benefits, including, without limitation, when calculating any reduction or increase applied in consequence of him or her choosing to take early or late payment of his or her pension.

2.5 Closure to new entrants

2.5.1 The URC may at any time by notice in writing to the Pension Trustee direct that membership of the Fund shall be closed to new entrants and from then on no person shall be entitled to become a member without the consent of the URC.

3. TRANSFERS IN

3.1 Transfers from other pension schemes and arrangements

3.1.1 The Pension Trustee may accept a transfer of assets in respect of any person from another pension scheme or arrangement

3.2 Benefits provided

3.2.1 If a transfer is received under Rule 3.1.1 the person in respect of whom the transfer was received will be provided with such benefits as the Pension Trustee determines to be appropriate after considering the advice of the Actuary.

3.2.2 Benefits provided under Rule 3.2.1 must be consistent with the status of the Fund as a Registered Pension Scheme and must comply with applicable law.

4. PARTICIPATING BODIES' CONTRIBUTIONS

4.1 Contributions

4.1.1 A Participating Body must pay contributions in respect of each Contributing Member in its service. The amount of the contributions will be determined by the URC from time to time, on the advice of the Actuary.

4.2 Expenses

4.2.1 A Participating Body must contribute to the expenses of administering the Fund. For these purposes the expenses of administering the Fund include the Fund's Pension Protection Fund levy. The share of expenses payable by each Participating Body shall be determined from time to time by the URC on the advice of the Actuary.

4.3 Statutory Debts

4.3.1 The Pension Trustee may at its discretion enter into any arrangement permitted under the Statutory Debt Legislation to modify any amount that would otherwise be treated as a debt due from a Participating Body under the Statutory Debt Legislation.

5. CONTRIBUTING MEMBERS' CONTRIBUTIONS

5.1 Normal contributions

5.1.1 Each Contributing Member must pay contributions of a fixed percentage of the Stipend, such percentage being determined by the URC from time to time and notified to the Pension Trustee.

5.1.2 Where a Contributing Member is in part-time service, the contributions which he or she is required to pay under Rule 5.1.1 are calculated by reference to the proportion of Stipend being paid at that time.

5.1.3 A member ceases to be liable to pay contributions under Rule 5.1.1 from the date on which he or she leaves Pensionable Service.

5.2 Additional Voluntary Contributions

5.2.1 A Contributing Member may pay voluntary contributions in accordance with this Rule 5.2.

5.2.2 Subject to Rule 5.2.3 a member paying voluntary contributions is able to suspend, reduce or terminate the payment of those voluntary contributions as he or she sees fit.

5.2.3 The Pension Trustee may impose upper or lower limits on the amount of voluntary contributions that can be paid and may determine the frequency with which a member may change the amount of his or her voluntary contributions.

5.2.4 Except where Rule 5.2.5 applies, the additional voluntary contributions shall accumulate within the Fund at rates determined each year by the Pension Trustee in the light of the financial experience of the Fund and the advice of the Actuary.

5.2.5 Voluntary contributions may, at the discretion of the Pension Trustee, be invested as follows:

5.2.5.1 The Pension Trustee may allow the member to select from a range of investment options and give the member the opportunity to change those options from time to time;

5.2.5.2 The Pension Trustee can decide how many investment options to offer and may change the investment options offered as it sees fit and if it decides to withdraw an investment option may transfer any funds invested in that option into such other investment option as it deems appropriate in the circumstances;

5.2.5.3 The Pension Trustee may select a default investment option which will apply in relation to any voluntary contributions paid by a member who has not selected an investment option;

5.2.6 Subject to Rule 5.2.7 when the member receives his or her pension under Rule 6 or Rule 8 as the case may be, the proceeds of the voluntary contributions

paid by the member and accumulated in accordance with Rule 5.2.4 or invested in accordance with Rule 5.2.5 will be applied to provide benefits in such form as the Pension Trustee determines after having consulted with the member, including the provision of a Pension Commencement Lump Sum provided that in respect of contributions commenced prior to 1st June 1992 the benefit shall not be less than those provided under a table certified by the Actuary.

5.2.7 With the consent of the Pension Trustee a member may defer the application of the proceeds of his or her voluntary contributions until a later date agreed with the Pension Trustee.

6. RETIREMENT BENEFITS

6.1 Normal Retirement

6.1.1 A Contributing Member who chooses to receive his or her pension at Normal Pension Age shall be entitled to a pension of 1/80th of Pensionable Stipend for each year of Pensionable Service after 1 June 1971, based on years and months of Pensionable Service.

6.2 Late Retirement

6.2.1 A Contributing Member who chooses to remain in Pensionable Service after Normal Pension Age shall be entitled upon retirement from service to a pension calculated in accordance with Rule 6.1.1.

6.3 Early Retirement

6.3.1 A Contributing Member who retires from Pensionable Service after reaching age 55 but before Normal Pension Age shall be entitled to receive immediate payment of a pension calculated in accordance with Rule 6.1.1, but then reduced by an amount advised as appropriate by the Actuary having regard to the period between the date on which the pension commences and the member reaching Normal Pension Age, except that:

6.3.1.1 Any reduction applied to pension in respect of Pensionable Service up to and including 31 December 2012 shall be calculated only having regard to the period between the date on which the pension commences and the member reaching his or her 65th birthday; and

6.3.1.2 No reduction shall be applied to pension in respect of Pensionable Service up to and including 30 November 2006 if on the date the pension commences he or she has completed 40 years of stipendiary service to the URC (or its constituent denominations).

6.4 Postponed Pension

6.4.1 A Contributing Member who reaches Normal Pension Age may, instead of choosing to remain in Pensionable Service under Rule 6.2.1, choose to leave Pensionable Service and postpone payment of his or her pension under this Rule 6.4.1. A Contributing Member who initially chooses to remain in Pensionable Service under Rule 6.2.1 may subsequently decide to leave

Pensionable Service and postpone payment of his or her pension under this Rule 6.4.1. A member to whom this Rule 6.4.1 applies shall be entitled to a pension calculated under Rule 6.1.1 and then increased:

- 6.4.1.1** By the amount the pension would have increased by over the period from the date of leaving Pensionable Service to the date on which the pension commences under Rule 10.1 had the pension commenced on date of leaving Pensionable Service; and
- 6.4.1.2** By such additional amount as the Actuary shall advise is appropriate having regard to the period from date of leaving Pensionable Service to the date on which the pension commences.

6.5 Ill-Health Retirement

- 6.5.1** A Contributing Member who leaves Pensionable Service before Normal Pension Age due to Ill-Health shall be entitled to an immediate pension calculated in accordance with this Rule 6.5, provided that:
 - 6.5.1.1** The Pension Trustee has received evidence from a registered medical practitioner appointed by the Pension Trustee (or at the discretion of the Pension Trustee, some other registered medical practitioner) that the member is, and will continue to be, unable to carry out his or her occupation because of physical or mental impairment; and

- 6.5.2** The Pension Trustee must review the state of health of any member who receives a pension on the grounds of Ill-Health at regular intervals and at least once every 5 years unless it considers that it would be inappropriate to do so.
- 6.5.3** Where a member in receipt of a pension paid on the grounds of Ill-Health:
 - 6.5.3.1** Does not agree to any medical examination that the Pension Trustee may require for the purposes of a review being carried out in accordance with Rule 6.5.2;
 - 6.5.3.2** In the opinion of the Pension Trustee is no longer suffering from Ill-Health; or
 - 6.5.3.3** In the case of a member who is not a Pre-2013 Member, is, in the opinion of the Pension Trustee, capable of undertaking remunerated employment

the Pension Trustee may reduce or suspend the payment of the pension for any period or periods before Normal Pension Age. The Pension Trustee shall not be required to pay any amounts that were not paid while a pension was reduced or suspended in the event that the pension is increased back to its original level or recommences, but the Pension Trustee must be reasonably satisfied that the benefits (including death benefits) for a member who retires on the grounds of Ill-Health are at least equal in value to the benefits to which he or she would otherwise have become entitled on leaving the Fund under Rule 8.

- 6.5.4** A member who has less than 10 years' Pensionable Service shall be entitled to a pension calculated under Rule 6.1.1, but calculated disregarding any Pensionable Service after reaching his or her 65th birthday.
- 6.5.5** A member who has greater than 20 years' Pensionable Service shall be entitled to a pension calculated under Rule 6.1.1, except that:
- 6.5.5.1** The pension should be calculated disregarding any Pensionable Service after reaching his or her 65th birthday;
- 6.5.5.2** In the case of a member who has not reached his or her 65th birthday, his or her Pensionable Service shall be treated as being of such length as it would have been had he or she remained in Pensionable Service until reaching his or her 65th birthday; and
- 6.5.5.3** Where the member is in part-time service, the prospective Pensionable Service included when calculating his or her pension shall be calculated on the assumption that he or she remains in part-time service until reaching his or her 65th birthday, unless the Pension Trustee has exercised its discretion under Rule 2.2.2.
- 6.5.6** A member who has between 10 and 20 years' Pensionable Service shall be entitled to a pension calculated under Rule 6.5.4 plus an additional amount of pension calculated as follows:
- (Pension B – Pension A) x (C / 120)**
- Where:
- Pension A** is the pension calculated under Rule 6.5.4;
- Pension B** is the pension calculated under Rule 6.5.5 (but disregarding the requirement that the member must have completed 20 years' Pensionable Service for that Rule to apply); and
- C** is the number of complete months' in excess of 120 that the member has been in Pensionable Service.
- 6.5.7** Where this Rule 6.5 applies to a Pre-2013 Member, if it would result in a higher pension than that calculated under whichever of Rule 6.5.4, 6.5.5 or 6.5.6 applies in his or her case, he or she shall instead be entitled to a pension calculated under Rule 6.5.8.
- 6.5.8** The pension under this Rule 6.5.8 is whichever is the higher of:
- 6.5.8.1** A pension calculated under Rule 6.5.5 as if the Pre-2013 Member had retired due to Ill-Health on 1 January 2013 (disregarding the requirement that the member must have completed 20 years' Pensionable Service for that Rule to apply). For the avoidance of doubt the pension under this Rule 6.5.8.1 is based on Pensionable Service up to 1 January 2013 and prospective service and Stipend at that date; or

- 6.5.8.2** Pension B (as defined in Rule 6.5.4) but multiplied by the following fraction: the Pre-2013 Member's Pensionable Service up to and including 31 December 2012 divided by the Pre-2013 Member's total Pensionable Service up to retirement or reaching his or her 65th birthday if earlier (with each period calculated in complete months).

If the surviving spouse is more than 10 years' younger than the member the pension will be reduced on a basis advised by the Actuary. In the case of a member who dies before Normal Pension Age and was in part-time service to which Rule 2.2 applies at the date of his or her death, the pension to which the member would have been entitled upon reaching Normal Pension Age shall be calculated assuming the same average proportion for each future year as the entitlement in years at date of death bears to the number of years of membership as a Contributing Member.

The terms on which the additional voluntary contributions are applied to provide additional pension under this Rule 7.5.2 will be determined by the Pension Trustee on the advice of the Actuary. Where the surviving spouse is of the same sex as the member or is the Civil Partner of the member the option under this Rule 7.5.2 only applies in respect of such part of the amount that would otherwise be paid as a lump sum as is attributable to additional voluntary contributions paid on or after 5 December 2005.

- 7.6.4** When a Child ceases to qualify for a pension the amount being paid to or applied for his or her benefit ceases to be paid and is not re-apportioned for the benefit of any remaining Child or Children still receiving a pension under this Rule 7.6.

MODIFICATIONS TO MAIN SECTION RULES FOR 2013 OPT-OUT MEMBERS

- 1. Objective:** the aim of this Schedule 4 is to describe the modifications required to the Main Section of the Rules in order to ensure that a member who opted out of the benefit changes adopted by the URC in 2012 (effective from 1 January 2013) is entitled to benefits consistent with him or her having opted out of those changes. In the event of any uncertainty as to the application or effect of this Schedule 4 the Pension Trustee shall determine the manner in which the Main Section of the Rules will be modified so as to give effect to the rights of a member to whom it applies, consistent with that aim.
