Make your own gentleness tree. Once you have created a tree either by drawing round your hand or using paint, cut out some leaves. On each leaf draw or write a way to be gentle in life. Have spare leaves and add them each time you or someone else does something with gentleness.

A prayer for when you start the day:
**May we move through today
with gentleness. Amen**

He will take care of his flock
like a shepherd;
he will gather the lambs together
and carry them in his arms;
he will gently lead their mothers.
