How many different ways can you make a dove? I wonder if you could make one using your hands? Or out of Lego? What about using the recycling to create one or a whole family of doves.

Here's how to make one using the sun.

Either use your hands to make a dove or use an ornament that you may already have. Place the ornament outside in the sun so that it casts a shadow onto the ground. You'll need someone to help you if you are going to use hands as your guide.

Once the shadow has been cast place a piece of paper under the shadow and draw round the shape the shadow makes.

If you are doing this activity on an overcast day you can use a torch and shine it behind the object to create a shadow.

Decorate it if you wish.

A prayer for when you feel peaceful:

Thank you God for this feeling of peace.
Amen

Romans 15: 5-7, 13

Prince of Peace

May God who gives patience, steadiness, and encouragement help you to live in complete harmony with each other, each with the attitude of Christ toward the other. And then all of us can praise the Lord together with one voice, giving glory to God, the Father of our Lord Jesus Christ. So warmly welcome each other into the church, just as Christ has warmly welcomed you; then God will be glorified.

So I pray for you Gentiles that God who gives you hope will keep you happy and full of peace as you believe in him. I pray that God will help you overflow with hope in him through the Holy Spirit's power within you.

I wonder why the dove is a symbol of peace?
