 Maybe you could create a narration for it!

The psalm talks about people, especially kings, from all nations of the world coming to worship Jesus. It links to the story of the wise men or astrologers from the East that we know from the nativity story. Jesus was not just for people in one place and time, Jesus was and is for everyone.

Often at this time of year or any time from November to February, people make Christingles. Perhaps you could make one too. You need an orange, a red ribbon, four cocktail sticks, some dried fruit or small sweets, and a candle. Each item represents something: The orange represents the world, the red ribbon (or tape) symbolises the love of Christ, the cocktail sticks represent the four corners of the earth, the sweets and dried fruit represent all of God's creations and the lit candle represents Jesus's light in the world, bringing hope to people living in darkness. As we make the Christingle, we think about God's gift to the whole world in Jesus and how each one of us is part of God's story.

A prayer for when you look at the stars:
Jesus, thank you that you are here for everyone, including me.
