### John 1: 1-5, 14, 16-18 The Word is God

In the beginning was the one who is called the Word. The Word was with God and was truly God. From the very beginning the Word was with God. And with this Word, God created all things. Nothing was made without the Word. Everything that was created received its life from him, and his life gave light to everyone. The light keeps shining in the dark, and darkness has never put it out.

The Word became a human being and lived here with us. We saw his true glory, the glory of the only Son of the Father. From him the complete gifts of undeserved grace and truth have come down to us.

Because of all that the Son is, we have been given one blessing after another. The Law was given by Moses, but Jesus Christ brought us undeserved kindness and truth. No one has ever seen God. The only Son, who is truly God and is closest to the Father, has shown us what God is like.
