As we remember to love others as we love ourselves, first of all we need to remember that God loves us just as we are and we can love ourselves the way Jesus loves us. Next we need to remember that in acting in a kind and loving way towards others can make the world a better place in many ways.

Let's show some kindness and love towards others this week by secretly doing something to surprise them. It might be an act of kindness or it may be by leaving an unexpected message for them to find. You could make a card and slip it through their letter box, or paint and decorate a stone with a message such as "I care about you" or "You matter" and leave it on their doorstep. Or how about slipping a tiny bag of sweets into someone's school bag with a label saying "you're doing great!" – all without anyone seeing. Try to choose people you wouldn't normally do this for, especially people who might benefit from a random act of kindness.

A prayer for the playground

**Jesus, teach me to treat people kindly,  
including people who are not my friends. Amen**

## Bible Reading

### Galatians 5:13-15 Love one another

My Christian friends, God has chosen you to serve him as free people. But you are still weak and human. So you are not free to do anything that you might want to do. Instead, you must serve one another, because you love each other. One rule brings together all the rules in God's Law. That one rule says: 'Love other people as much as you love yourself.' So you must not live like wild animals. Wild animals fight and they eat each other. If you live like that, be very careful! You may destroy one another completely. *EasyEnglish Bible Copyright*
