Bag of praise.

To make a bag of praise you will need a paper bag (or gift bag would work) some seeds/ dried beans or pasta/ rice to make a noise, some tape and pens to decorate.

Decorate your bag or a piece of paper and tape it to the bag. Fill a third of the bag with your noise items, twist the end to make a handle and seal it with plenty of tape. You could tie some ribbons from the handle if you so liked.

Use your bag to dance and sing and praise while listening to the song on this postcard or to your favourite music.

A prayer for when you listen to music:

**Dear God, Thank you for making us
creative, musical people. Amen**

Praise the Lord from the heavens.
Praise him high above the earth.
Praise him, all you angels.
Praise him, all you armies of heaven.
Praise the Lord from the earth.
Praise him, you young men and women,
old people and children.
Praise the Lord.
He alone is great.
He is greater than heaven and earth.
God has given his people a king.
He should be praised by all who belong to him.
He should be praised by the Israelites, the people closest to his heart.
Praise the Lord!
