

Exodus 16: 1-5 God provides

God provided bread and birds and even water at one point for the people in today's Bible story. I wonder what you are provided with each day? Remove the labels from the foods you eat this week and create a collage, you may want to draw the foods, especially if your food is provided for at school or similar.

Alternatively chat together: If money was no object what your most favourite meal be? Again either create a collage or draw it – you may have playdough at home to make the meal out of.

A prayer for when you get something unexpected.

Dear God, Thank you for giving me unexpected things, especially things I want 😊 Amen

Bible Reading - Exodus 16: 1-5 – God provides

Then the whole Israelite community left Elim.

They came to the Desert of Sin.

This place was between Elim and Sinai.

They came to this place on the fifteenth day of the second month after they had left Egypt.

Then the whole Israelite community grumbled to Moses and Aaron in the desert. The Israelites said to them, "It would have been better if the Lord had killed us in the land of Egypt.

There we had meat to eat. We had all the food we wanted. But you have brought us into this desert. You will starve us to death here."

Then the Lord said to Moses, "I will cause food to fall like rain from the sky.

This food will be for all of you.

Every day the people must go out and gather what they need for that day.

I will do this to see if the people will do what I teach them.

On the sixth day of each week, they are to gather twice as much as they gather on other days. Then they are to prepare it."
