How can we show the people in our communities and world that they are loved? Below are some suggestions for how you could show God's love for people in your community:

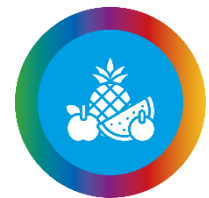

- Go on a prayer walk around your community, asking God to show you where there is a need and what you can do to help.
- Give love away – make some gifts to give away to people in the community. You could make cards with some special verses in them, for example, Isaiah 54:10, Psalm 86:15, Ephesians 3:18-19, Psalm 36:7, John 3:16 or Romans 8:38-39. Or you could make up small bags of chocolates with one of these cards inside – or one simply saying: 'You are loved'.
- Connect with a local charity and volunteer/fundraise/raise awareness with them.

A prayer for when someone says the word love:

**Jesus, help me love others. Thank you that you love me. Amen**

### Leviticus 19:9-10 & 18 Fruit of the Spirit – Love

When you cut your crops at harvest time, don't cut all the way to the corners of your fields. And if grain falls on the ground, you must not gather up that grain. Don't pick all the grapes in your vineyards or pick up the grapes that fall to the ground. You must leave those things for your poor people and for people travelling through your country. I am the Lord your God. Forget about the wrong things people do to you. Don't try to get even. Love your neighbour as yourself. I am the Lord.
