You need a dry-wipe marker pen, a bowl of water and a spoon.

Dry erase markers use ink made with an oily silicone polymer which stops them sticking. Water can get underneath them and lift them off. When we say sorry to God, God lifts off all our guilty feelings and helps us have a completely fresh start.

You can write or draw on the back of a spoon using the dry wipe marker. Gently lower the spoon into the water and watch your writing/drawing float off, leaving the spoon clean again.

### A prayer for whenever you play with Lego or bricks

Jesus, I'm sorry I sometimes do things that spoil our friendship.

Please let's build our friendship up again. Amen.

### Daniel 9: 3-5/ 9

<sup>3</sup> Then I turned to the Lord God. I prayed to him and asked him for help. I did not eat any food. I put ashes on my head and put on the clothes that showed I was sad. <sup>4</sup> I prayed to the LORD my God and told him about all my sins. I said,

"Lord, you are a great and awesome God. You keep your agreement of love and kindness with people who love you. You keep your agreement with the people who obey your commands.

<sup>5</sup> "But we have sinned. We have done wrong. We have done evil things. We turned against you. We turned away from your commands and good decisions.

<sup>9</sup> "But, Lord our God, you are kind and forgiving, even though we rebelled against you.
