### Story charades

Play charades together with friends or family. As long as there are two of you, you can play. Act out different Bible stories and well known stories without using words or props. How quickly can people guess your story, perhaps set a time limit? The person who guesses the story correctly gets a point. Perhaps finish off by watching a film together, there are many Bible stories which have been made into films.

A prayer for when you have read a book or a story has been read to you.

**Dear God, Thank you for wonderful stories. Help me to remember your stories from the Bible. Amen.**

## Bible Reading - Remembering

### 2 Peter 1: 12-19

I plan to keep on reminding you of these things even though you already know them and are really getting along quite well! But the Lord Jesus Christ has shown me that my days here on earth are numbered, and I am soon to die. As long as I am still here I intend to keep sending these reminders to you, hoping to impress them so clearly upon you that you will remember them long after I have gone. For we have not been telling you fairy tales when we explained to you the power of our Lord Jesus Christ and his coming again. My own eyes have seen his splendor and his glory: I was there on the holy mountain when he shone out with honor given him by God his Father; I heard that glorious, majestic voice calling down from heaven, saying, "This is my much-loved Son; I am well pleased with him." So we have seen and proved that what the prophets said came true. You will do well to pay close attention to everything they have written, for, like lights shining into dark corners, their words help us to understand many things that otherwise would be dark and difficult. But when you consider the wonderful truth of the prophets' words, then the light will dawn in your souls and Christ the Morning Star will shine in your hearts.
