The book of Proverbs is a collection of sayings by wise people, most of them by King Solomon. They talk about how to live well with one another and with God. Our passage this week helps us think about how being filled with God's wisdom can be the best foundation for our lives and our relationships and can help our hearts be a home for God.

While we think about how our hearts and our homes can be a home for God, why not make a gift for someone in your family? You will need some cardboard tubes, an empty cereal box, scissors, glue and colourful paper/tape to decorate. Create a box shape by scoring and cutting your cereal box like in the photo. Fold the tabs up and glue into place. Cover the card and the tubes with colourful paper or washi tape. You might want to add stickers or pictures later too.

Now glue your cardboard tubes into place in the box, leaving a section at the front empty. If you want to, you can cut the tubes to different sizes. Who are you going to give it to?

A prayer for when you get home

Jesus, make your home with us
