Jesus promised that each one of us has a room in heaven especially prepared for us, where one day we will live with God for ever. Nobody but God knows exactly what heaven is like but we know from Jesus that it will be good. The Bible tells us there's no crying or hurt there, and that it's a beautiful place.

Our activity gives us chance to be really creative about heaven. You will need a big piece of scrap card and either a mirror or some smooth aluminium foil. You'll also need things to decorate it with – paints, stickers, pens, jewels.... It's up to you what you use.

What might God's house look like? Draw it on card and cut it out. Cut a door in the house and open it. Behind the door stick a mirror or some thinner card covered with foil so that it reflects your face when you look at it. Now go mad and decorate that house so it looks really amazing.

A prayer for when you walk (run, hop, jump) into your room at home

**Thank you, Jesus, for my room in my house and that I have a forever room in your house too**
