Decorate the bottom of a paper plate, repeat on another plate. Place one of the paper plates on a surface, correct way up. Place the other plate on top but upside down so it creates a hollow inside. Place tape round half of the edges to secure the plates together. Then pop in some pasta between the plates and finish sealing the plates with tape. This will create your own paper plate tambourine/ shaker.

A prayer for when you are in your church group:  
**Thank you, God, for bringing me here.  
Help me to know you better. Amen.**

### Hebrews 10: 23–25 Why Worship?

<sup>23-25</sup> So let's *do* it – full of belief, confident that we're presentable inside and out.  
Let's keep a firm grip on the promises that keep us going.

He always keeps his word.

Let's see how inventive we can be in encouraging love and helping out,  
not avoiding worshipping together as some do but spurring each other on,  
especially as we see the big Day approaching.
