Everyone in God's family has a part to play and is equally important, just like your body is made up of different parts.

Have you ever made a Jumping Jack puppet?

You will need some scrap thick card, four split pin fasteners, and some string.

From your card you will need to cut out a torso with head, two arms and two legs. Join together with paper fasteners like in the picture. Use string or strong wool and fasten a short piece across from shoulder to shoulder, a short piece across from the top of one leg to the other, and a longer piece to tie to the middle of each of the shorter pieces and to dangle down.

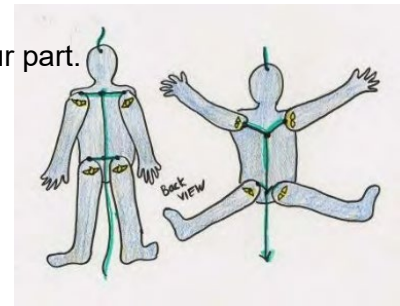

When you pull on the long piece, the puppet should raise its arms and legs as though doing a jumping jack movement.

God's holy spirit joins us together as one body and helps us play our part.

A prayer for when you are feeling small

**God, thank you that you have a part for me to play in your family**

### 1 Corinthians 12: 27-31 Body of Christ

Together you are the body of Christ.

Each one of you is part of his body. First, God chose some people to be apostles and prophets and teachers for the church. But he also chose some to work miracles or heal the sick or help others or be leaders or speak different kinds of languages. Not everyone is an apostle. Not everyone is a prophet. Not everyone is a teacher. Not everyone can work miracles. Not everyone can heal the sick. Not everyone can speak different kinds of languages. Not everyone can tell what these languages mean. I want you to desire the best gifts. So I will show you a much better way.
