

Psalm 90: 1, 2 and 14 – God is.... God

Listen to this book about What God's Like by Rachel Held-Evans <https://youtu.be/qEKMCBPsvas?si=bZ3X4cK52P1iC8xg>

There are many different ways to describe God. When Moses thought about the things that God had done, he wrote a poem or song (also known as a psalm) in which he described God as being like a safe home. He also wrote about God being there from the very beginning of everything – older than anything you can think of – and that God will always be there – will last longer than anything you can think of.

This week, why not have a go at building a safe shelter. You could do it on a small scale, building a lego home or junk modelling home for one of your toys. You could do it indoors on a larger scale, building a cushion fort, or if you get a lovely spring day you could build a den outdoors. Maybe you could even sit out and have a picnic in it.

We can't take our homes with us wherever we go – even if we have a tent or a caravan, we can't take it into school with us, for example. But God is with us wherever we go, for all time. That's a really good feeling.

A prayer for when you are sitting in your den or somewhere you feel safe

Thank you, God, for being my safe place and always there. Amen.

Bible Reading

Psalm 90: 1, 2 and 14 – God is.... God

Lord, from long ago,
you have always been a safe home for us.

From before the mountains began,
and before you made the world,
you were already there, as God.
You have no beginning and no end.

Show your faithful love to us every morning.
Then we will sing with joy,
and we will be happy for as long as we live.

I wonder what makes you sing for joy?
