It is a bit long but worth it!

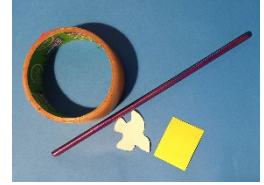

Pentecost is the time we remember that God sent the Holy Spirit to the disciples after Jesus had risen from the dead and returned to heaven. The Holy Spirit is our helper who is always with us. Joel talked about the Holy Spirit a long time before Jesus – this is called a prophesy.

The Holy Spirit is invisible, but can work inside us to help us do God's work. Let's make something to remind us of the invisible Spirit giving us the strength to do things. You will need some paper, some tape and a straw.

Use a small strip of paper to make a tube which will fit snugly on the end of your straw. You will need to close the top of the tube by folding it over and taping it down. Cut a dove shape out of paper – it needs to be about 5cm in size. Tape the little tube to the back of the dove.

Now you can slip your dove shape onto the end of your straw. Blow in the other end of the straw and your dove will go flying off. Your breath is invisible but it powers the dove and sends it out, just like God's spirit powers you and sends you out to do God's work.

A prayer for when you yawn

Holy Spirit, you fill me like air fills my lungs.

Joel 2: 27a, 28-29 – God is.... Spirit

Then, Israel, you will know that I am among you
and that I, the LORD, am your God
and there is no other.

The Day of the LORD

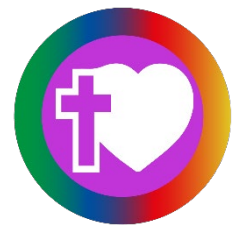

“Afterward I will pour out my Spirit on everyone:
your sons and daughters will proclaim my message;
your old people will have dreams,
and your young people will see visions.
At that time I will pour out my Spirit
even on servants, both men and women.
