### Make a three in one spinner.

You will need:

- A circle cut from card
- Pens
- Wool

What you do:

Divide the circle into three, for the first section write the word God or draw something to represent God.

For the second section write the word Jesus or draw something to represent Jesus.

And on the third section write the word Spirit or draw something to represent the Holy Spirit.

Do this to both sides of the circle.

Make a small hole in the middle of the circle (you may need to ask a grown up to help with this).

Thread some wool or string through the hole, hold each end loosely and start to flip the circle round and round quite a few times and then pull the string tightish. This should cause the spinning disc to spin very fast. Watch how the words merge to create one blur.

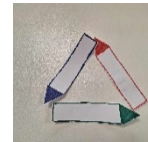

### A prayer for when you start the day:

**As you say this prayer take three steps to form a triangle.**

God, please look after my family.

Jesus, please look after my friends.

Holy Spirit, please look after me. Amen.

### John 14:16-17 – God is...Three in One

Then I will ask the Father to send you the Holy Spirit who will live with you and always be with you.

The Spirit will show you what is true.

The people of this world cannot accept the Spirit, because they don't see or know him.

But you know the Spirit, who is with you and will keep on living in you.

**I wonder what other things you can think of that are three things in one?**
