We can praise God in lots of different ways: in the way we act around others, being a good friend, being kind, praying and talking to God, reading the Bible, and through singing. How would you like to praise God? It can be fun to think up some words and phrases that you feel describe God and then make them into a rap or a poem, a prayer or even a dance.

A prayer for when you see little creatures:
Jesus, let me send you small praises, just like the small creatures do.

A prayer for when you see big creatures:
Jesus, let me send you big praises, just like the big creatures do.

Revelation 4: 6-11 All creatures praise God

⁶ In front of the throne was a shiny sea of glass, sparkling like crystal. In the centre and around the throne were four living beings, each covered with eyes, front and back. ⁷ The first of these living beings was like a lion; the second was like an ox; the third had a human face; and the fourth was like an eagle in flight. ⁸ Each of these living beings had six wings, and their wings were covered all over with eyes, inside and out. Day after day and night after night they keep on saying,
“Holy, holy, holy is the Lord God, the Almighty –
the one who always was, who is, and who is still to come.”
⁹ Whenever the living beings give glory and honor and thanks to the one sitting on the throne (the one who lives forever and ever), ¹⁰ the twenty-four elders fall down and worship the one sitting on the throne (the one who lives forever and ever). And they lay their crowns before the throne and say,
¹¹ “You are worthy, O Lord our God,
to receive glory and honor and power.
For you created all things,
and they exist because you created what you pleased.”

I wonder if all creatures can praise God. What about ants and spiders?
