The 100% game.

Come up with lots of statements, the answers can range up to 100% depending on confidence. So for instance you may ask 'How confident are you that you will...get married/ pass the exam/ score a goal/ sleep well tonight. If you are very confident you will score a goal you may say 100% or if not so confident 85% and so on. To make this more challenging: all those playing offer their suggestion as to what level of confidence they have in the person answering alternatively each person guesses how much they think the player might say about themselves.

**A prayer for when you are feeling confident.**

Dear God, When we feel confident let us see it as a super power. **Amen**

## Bible Reading Luke 23: 39 – 43

One of the criminals hanging beside him scoffed, “So you’re the Messiah, are you? Prove it by saving yourself—and us, too, while you’re at it!”

<sup>4</sup>But the other criminal protested, “Don’t you fear God even when you have been sentenced to die? We deserve to die for our crimes, but this man hasn’t done anything wrong.” Then he said, “Jesus, remember me when you come into your Kingdom.”

And Jesus replied, “I assure you, today you will be with me in paradise.”
