

Psalm 100

Make a joyful noise – psalm 100 by The Rizers

Make your own musical instrument. It could be half filling a cup with rice/ pasta and covering it to seal the contents. Or place some elastic bands over the top of a tin to create a type of guitar instrument. Play some music, perhaps a favourite Christian song or using the one on this postcard and enjoy making music to God.

A prayer for when using a loud voice:

Thank you God that we can use a loud noise to praise you .

A prayer for when using a quiet voice:

Thank you God that we use a quiet voice to praise you. Amen.

Bible Reading – Psalm 100

Everyone on earth,
shout and praise the LORD!
Worship the LORD and be happy!
Come near to him with songs of joy.
Understand that the LORD is God.
He made us and we are his people.
He takes care of us,
like a shepherd with his sheep.
Thank him as you go through the gates into his temple.
Praise him as you stand in his temple yards.^[b]
Thank him and praise him
as he deserves!
Yes, the LORD is good.
He always loves us as his people.
He always does what he has promised
to us and to our descendants for ever

How else could we praise God?
