Create a time capsule. Use something made of metal as a container, fill the container with things which someone may find interesting in the future. Include some Bible scripture, such as the one from this card. Hide or bury the time capsule. There are some fun videos online which show people opening time capsules they have found.

A prayer for when you look at the time:

Thank you that you are with me whatever time it is.
Amen

Bible Reading – Hebrews 13: 5-8

Don't fall in love with money. Be satisfied with what you have. The Lord has promised that he will not leave us or desert us. his should make you feel like saying,

“The Lord helps me!
Why should I be afraid
of what people
can do to me?”

Don't forget about your leaders who taught you God's message. Remember what kind of lives they lived and try to have faith like theirs.

Jesus Christ never changes! He is the same yesterday, today, and forever.

I wonder what you are most satisfied with?
