Take some wool and wrap it round and round your fingers – not too tightly. When you have wrapped it round about 30 times slip a long piece of wool under the wound wool and bring it up and round and tie a knot. This should secure the wool enough for you to cut the loop ends with scissors to create a pom pom ball. Use the pictures as a guide or follow the instructions on this website. <https://onelittleproject.com/pom-pom-sheep/> Finish off your sheep by cutting out a face and hooves and attaching them to your sheep. Perhaps you could make a whole host of sheep and, using a play toy shepherd, act out the psalm from today's story.

Each time someone cares for you say:  
**thank you God for (say their name)**  
 Each time you care for someone say:  
**thank you God for helping me to care.**  
**Amen**

### Luke 15:1-6 The lost sheep

One day when many tax collectors and other outcasts came to listen to Jesus, <sup>2</sup> the Pharisees and the teachers of the Law started grumbling, "This man welcomes outcasts and even eats with them!" <sup>3</sup> So Jesus told them this parable:

<sup>4</sup> "Suppose one of you has a hundred sheep and loses one of them—what do you do? You leave the other ninety-nine sheep in the pasture and go looking for the one that got lost until you find it. <sup>5</sup> When you find it, you are so happy that you put it on your shoulders <sup>6</sup> and carry it back home. Then you call your friends and neighbors together and say to them, 'I am so happy I found my lost sheep. Let us celebrate!'

**I wonder why it's so important we do not get lost?**
