Mix a blob of paint with some water to make it runny.
Pour some onto your paper and then blow it around with a straw to create a picture.
You can use more than one colour.
Once it is dry, you might choose to decorate it into something.

A prayer for when you are playing with balloons, either batting them around or letting the air out of them.

Thank you God that you have sent the Holy Spirit, help me to understand it better. Amen

Bible Reading - Ezekiel 37: 1-14

Some time later, I felt the LORD's power take control of me, and his Spirit carried me to a valley full of bones. The LORD showed me all around, and everywhere I looked I saw bones that were dried out. He said, "Ezekiel, son of man, can these bones come back to life?" I replied, "LORD God, only you can answer that." He then told me to say: Dry bones, listen to what the LORD is saying to you, "I, the LORD God, will put breath in you, and once again you will live. I will wrap you with muscles and skin and breathe life into you. Then you will know that I am the LORD."

I did what the LORD said, but before I finished speaking, I heard a rattling noise. The bones were coming together! I saw muscles and skin cover the bones, but they had no life in them. The LORD said: Ezekiel, now say to the wind, "The LORD God commands you to blow from every direction and to breathe life into these dead bodies, so they can live again."

As soon as I said this, the wind blew among the bodies, and they came back to life! They all stood up, and there were enough to make a large army.

The LORD said: Ezekiel, the people of Israel are like dead bones. They complain that they are dried up and that they have no hope for the future. So tell them, "I, the LORD God, promise to open your graves and set you free. I will bring you back to Israel, and when that happens, you will realize that I am the LORD. My Spirit will give you breath, and you will live again. I will bring you home, and you will know that I have kept my promise. I, the LORD, have spoken."

What helps guide you each day?
