Take a piece of bread and either cut out a shape of a dove or a heart. Spray a small amount of oil into a pan and fry one side of the bread, turn it over and break an egg into the shape. Fry until cooked. This will need some adult supervision.

When we are tempted to do things we shouldn't things might break, like the egg, but when we try to make amends and live well then we help bring peace which is represented by the dove or the heart.

A prayer for when I feel tempted to do something wrong

Please God help me to be strong enough to say no.

Amen

Bible Reading

1 Thessalonians 5: 13a – 19 How to live

Live in peace with each other. We ask you, brothers and sisters, to warn those who will not work. Encourage those who are afraid. Help those who are weak. Be patient with everyone. Be sure that no one pays back wrong for wrong. But always try to do what is good for each other and for all people.

Always be full of joy. Never stop praying. Whatever happens, always be thankful. This is how God wants you to live in Christ Jesus.

Don't stop the work of the Holy Spirit.
