Elisha helped a child who had died. We may not be able to do CPR to help someone who's unconscious and not breathing, but there are things we can do.

For a burn: run it under the cold tap for at least 20 minutes Cover with cling film or a clean plastic bag. Call 999 if the burn is bad.

If someone is bleeding too much for a plaster, press down really hard on the cut with a t-towel, some clothing or even your hand., and keep on pressing Get someone to call 999 .

A breathing prayer:

Sit quietly and listen to your breath. As you breathe in, quietly say “**Jesus fill me with love**”. As you breathe out, quietly say “**Let me share your love with the world**”.

2 Kings 4: 18-20, 32-37 – Elisha heals

³² When Elisha arrived, the child was indeed dead, lying there upon the prophet's bed. ³³ He went in and shut the door behind him and prayed to the Lord. ³⁴ Then he lay upon the child's body, placing his mouth upon the child's mouth, and his eyes upon the child's eyes, and his hands upon the child's hands. And the child's body began to grow warm again! ³⁵ Then the prophet went down and walked back and forth in the house a few times; returning upstairs, he stretched himself again upon the child. This time the little boy sneezed seven times and opened his eyes!

³⁶ Then the prophet summoned Gehazi. "Call her!" he said. And when she came in, he said, "Here's your son!"

³⁷ She fell to the floor at his feet and then picked up her son and went out.
