

Love is surprising

Snapshots

My first is in angel and also in Mary

My second's in nice and never in scary

My third is in sudden and also in shock

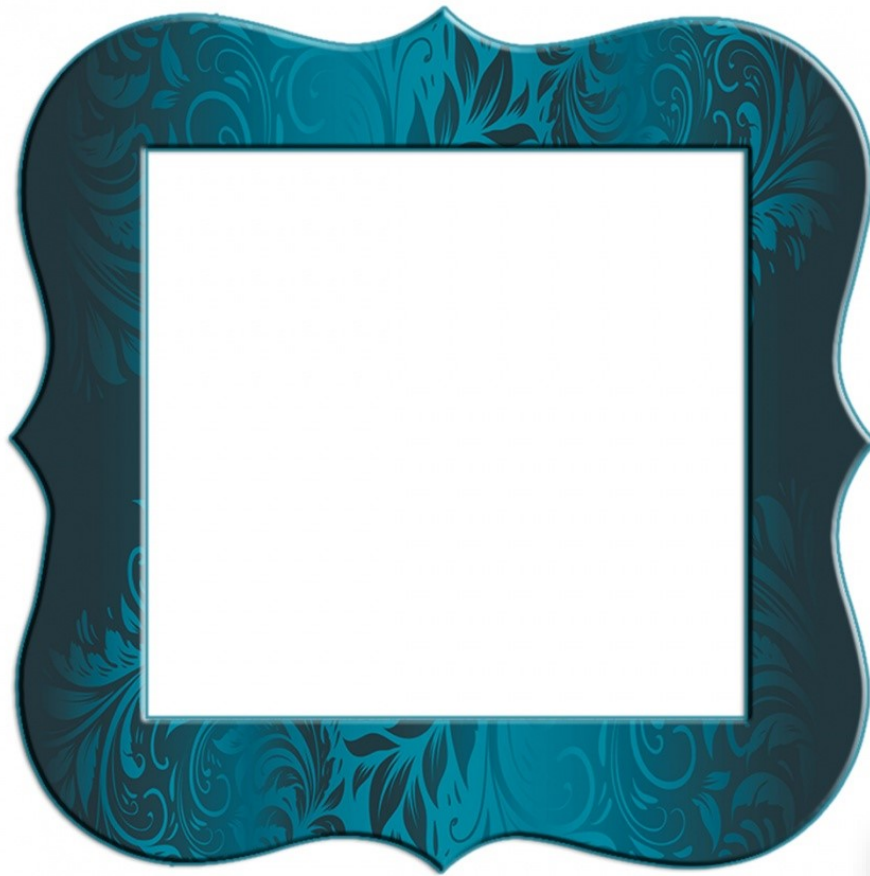

My fourth is in worry and isn't in mock

My fifth you will find in Bethlehem and stable

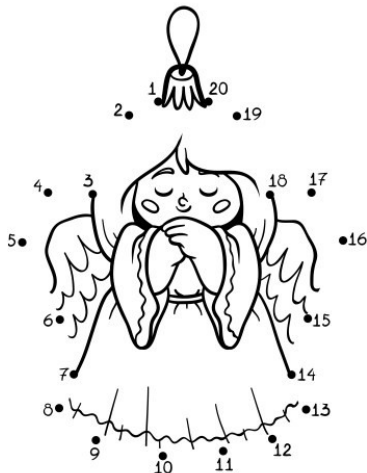

My sixth is in chair but never in table

My whole: have you guessed what this riddle's about?

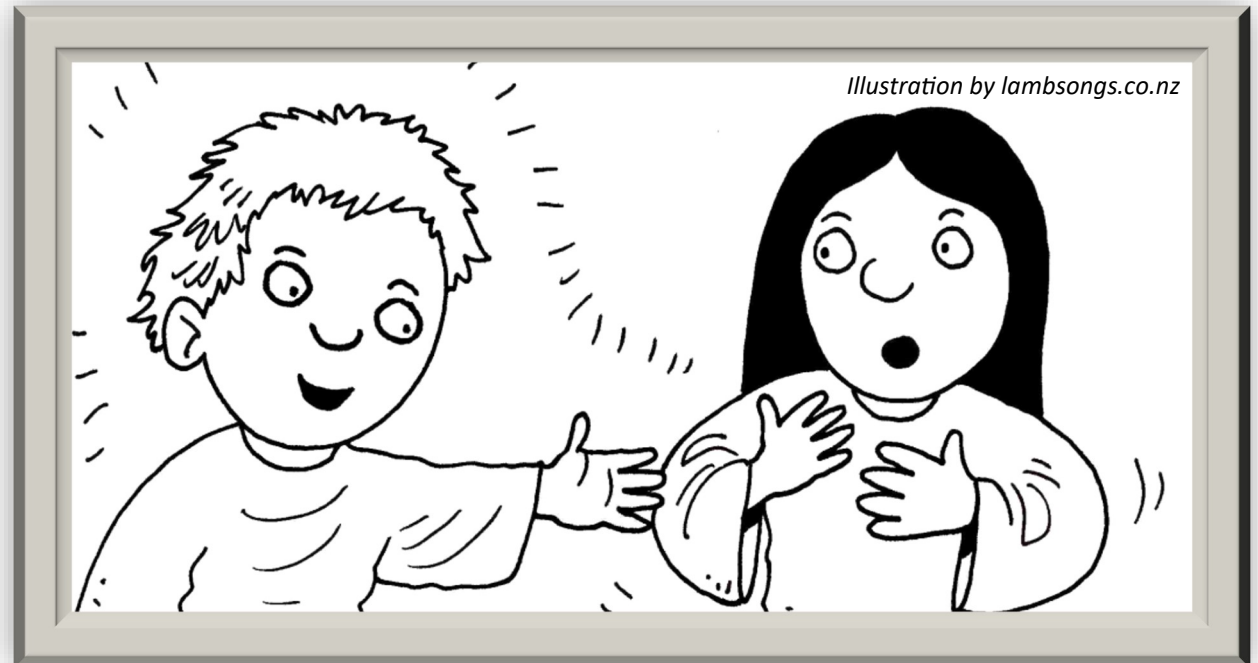

Just choose the right letters and puzzle it out!

Draw a 'photograph' of something that really surprised you.

Add some colour to this black and white photograph

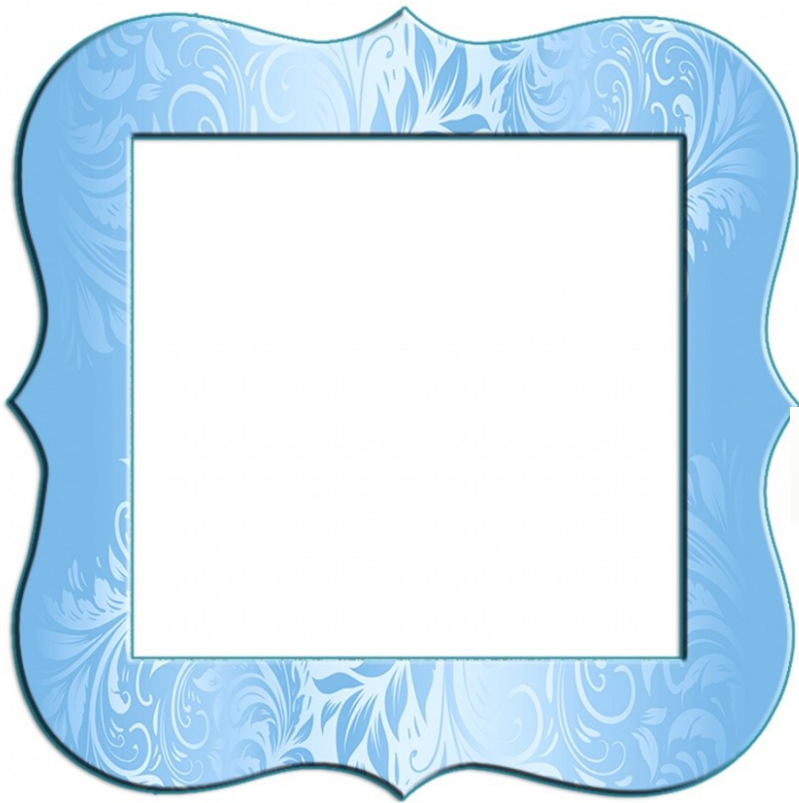

Love is adventurous

Snapshots

How many words can you make with letters from this word ?

ADVENTURE

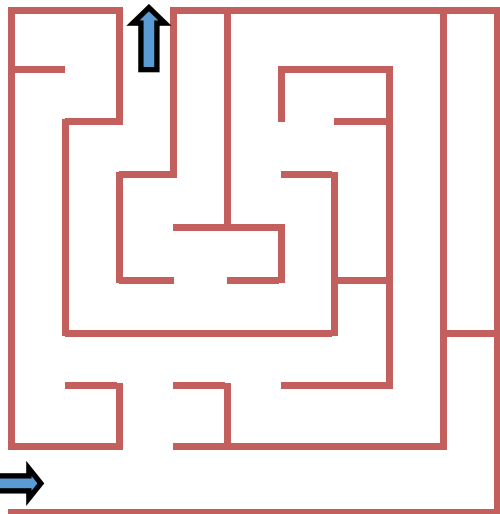

Draw a 'photograph' of an adventure you'd like to go on with a friend

Add some colour to this black and white photograph

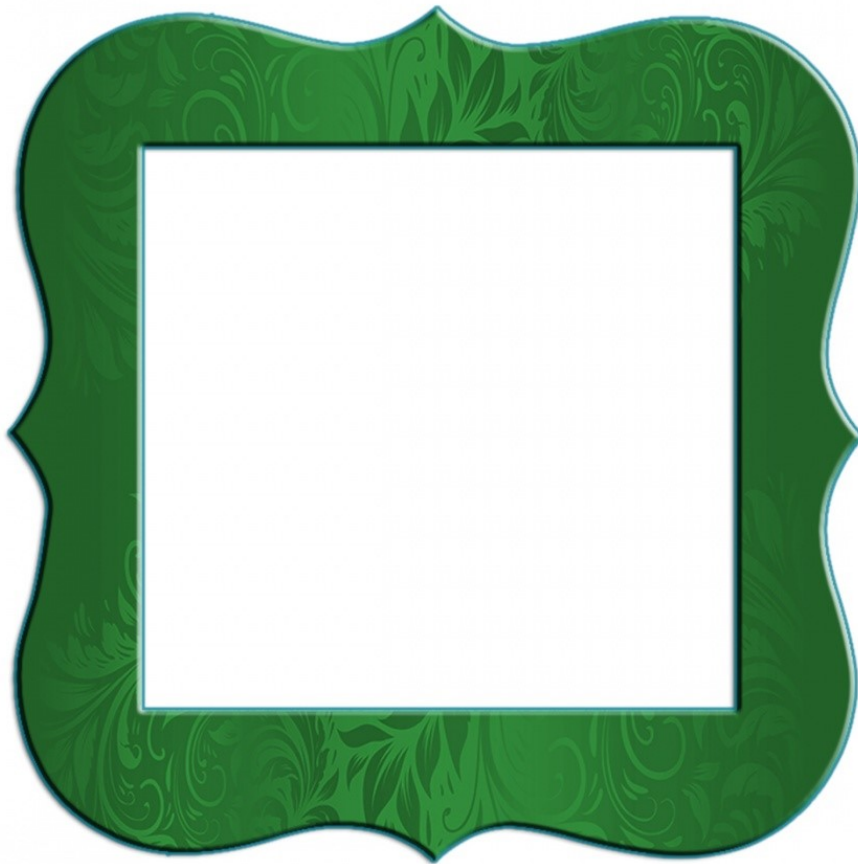

Help the disciples find their way through the maze

Love is belonging

Snapshots

Sort these items into sets of three that have something in common
