

God in the ordinary after Christmas

We hope that this advent resource has helped you and your family discover a little of how God is with you in the everyday ups and downs of ordinary life. Here are some ways to keep connecting beyond Christmas:

For children: a weekly 'postcard' to print off or access online – with a Bible story, wondering question, video link, activity and prayer – click on the current month and select the postcard home for the week:

For young people and adults: a daily prayer prompt responding to justice issues and world events – on Instagram, Twitter and Facebook or by email.
