Completing the URC Annual Church Safeguarding Return is your opportunity to highlight the hard work that has gone into safeguarding your church in the past year, as well as an opportunity to identify areas where you may need advice and assistance. The submitted form is sent to and reviewed by your Synod Safeguarding Officer and entered onto the URC Database. The information is assessed and used to standardise our collective ability to identify safeguarding issues within our churches and protect those most at risk, both children and adults. Church Safeguarding Coordinator and DBS verifier details are also collated and entered onto the URC database to ensure that the information on those who oversee safeguarding in each church is accurate. The Church Secretary will be making sure these details are correct and up to date and the individual/s is/are aware of the Data Privacy Notice at <https://urc.org.uk/privacy-policy/> and that of your Synod.

If you are following the safeguarding policy of another denomination the information captured in the URC Annual Safeguarding Return will give us valuable insight into safeguarding in all local churches regardless of the policy they are following. The data provided is used by URC to develop training and support, to gain an understanding of what safeguarding is like in the local church and to gain a holistic view of safeguarding across the country.

As a church following another policy parts of the return may not feel relevant but we would really hope that you could take the time to complete the return. Thank you for all you do to safeguard those that access your church, it really is appreciated and valued.

If you have any difficulties or questions in relation to this form, please contact your Synod Safeguarding Officer who will be more than pleased to help and advise you with this.

If parts of the form are not applicable to your church in the past year, please indicate so. If you leave sections blank this could mean information has been missed out so, please put N/A if anything doesn't refer to your church.

Guidance Notes

We hope this guidance helps with the completion of the returns and everyone throughout the URC, including the Synod Safeguarding Officers and the Church House Safeguarding Team, thanks you for the hard work you put in to make our churches safer.

1. Safeguarding Procedures

It is essential that each church has a Safeguarding Policy for children, young people and adults at risk, which they should ensure is updated annually, therefore please indicate when your church policy was last reviewed. Template P1 of Good Practice 6 is a model safeguarding policy for local churches and can be used to ensure your church policy is up to date. The link can be found here: <https://urc.org.uk/wp-content/uploads/2023/11/P1.pdf>

Members of your congregation and those visiting the building should be able to locate your policy easily and identify your Church Safeguarding Coordinator and Deputy. It is important that your safeguarding policy contains up to date contact information for Children's and Adult's services, the Designated Officer (DO) for the Local Authority and the Police. Please note the Designated Officer is formally known as the Local Authority Designated Officer (LADO).

2. Safer Recruitment

Safer recruitment is an all-encompassing term for the process of ensuring that an applicant or volunteer is safe to work with children and adults at risk. The Annual Church Safeguarding return asks you to provide details outlining the methods used to recruit volunteers and paid workers in the accounting period 01/01/2023 to 31/12/2023, this includes the number of DBS checks done – please liaise with your DBS verifier who is responsible for recording and processing DBS/PVG checks.

3. Safeguarding Concerns/allegations: Children and Adults at risk

If you have had a safeguarding concern within your church in the accounting period 01/01/2023 to 31/12/2023, it is recommended that you use the Safeguarding Incident/ Concern Form (GP6 Form F1 <https://urc.org.uk/wp-content/uploads/2023/11/F1.pdf>) to record the information. The Annual Church Safeguarding Return requires you to state the number of safeguarding concerns/ allegations relating to children and adults at risk .

Please identify the categories of abuse relating to the safeguarding concerns/ allegations for children and adults separately.

Please also detail how much information you have shared with the Synod Safeguarding Officer and other agencies.

4. Risk management

It is important that churches, with the assistance of the Synod Safeguarding Officer, ensure that we adequately protect those within our congregation who may be at risk from certain people being involved in the church, whilst ensuring that those who may pose a risk to others are supported to access church life safely if safe to do so within a signed Safeguarding contract. This question asks you to record how you manage these issues within your church.

Risk management is an important part of safeguarding within your church and your Synod Safeguarding Officer should be aware of all issues in these cases. If they are not, please contact them so they can support you in this area.

5. Safeguarding Support to alleged victim, survivor of abuse and/or congregation

If you have a person within your congregation in need, has support been offered to them? It is helpful to capture the details of support offered, so any lessons learned or any advice you can offer can then be shared with the wider church.

6. Local Church Best Practice

This is your opportunity to show how well your church has safeguarded others within the accounting period 01/01/2023 to 31/12/2023. Please provide examples, which can then be shared for others to learn from your knowledge and experience.

7. Safeguarding Challenges

It is important that Synods and Church House recognise the challenges and obstacles you experience at a local church level, so please provide details of challenges you have experienced to Safeguarding in your role in the accounting period 01/01/2023 to 31/12/2023 so your Synod and Synod Safeguarding Officer can assist you with them.

8. Support from the URC Safeguarding Teams

This question is asking what additional support, help and guidance you may need. Please record this as it is important that we have this information so resources can be directed to churches where it is required. If you haven't needed any, or haven't had any, please let us know.

9. Training

Please give the numbers of people who are required to do Safeguarding training at the relevant level as outlined by General Assembly. The information on specific roles that need this training are in the matrix, please use the link [Paper T5 - SAG - Safeguarding Training Framework \(urc.org.uk\)](https://urc.org.uk/Paper_T5_-_SAG_-_Safeguarding_Training_Framework). The matrix gives information on who needs to do Foundation, Intermediate or Advanced Training.
