

Guess who's back!!!!

URC Youth are here to bring you the latest tea. We are reporting general assembly drama, gossip and general fun.

Jeremy's Column

URC Youth is proud to introduce Jeremy as our new official mascot! To celebrate his first GA here is some Jeremy fan art.

In other news:

GAG is astonished that despite not being a member of assembly, the air conditioning has contributed nearly constantly to business proceedings. GAG requests the Clerk calls the AC to order and revokes its first time speaker card.

GAG welcomes Jenny Mills to her new post, but questions her claim over all the sweets of GA. Please leave some for us Jenny

Welcome to General Assembly 2004²

Today we had amazing opening worship from Karen Campbell, where we were astonished to hear that this was in fact General Assembly 2004. GAG requests Karen report to GA on her ground-breaking means of time travel, and on what was so bad in 2004 that it needed time travel to fix, as some (most) of us weren't born at the time.

Carpet - was it passed by General Assembly?

GAG is intrigued by the new carpet in the meeting hall, and proposes similar carpets be installed at church house. We describe this style as 'Bus seat chic'. Some samples above.

However, we are aware that concerns about the carpet were raised regarding the inclusivity of the carpets for those with sensory issues. Sam Richards issued a carpet trigger warning to URC Youth. GAG encourages the Equalities & Diversity committee to form a task group to carry out a review of the carpet used in URC Venues, and venues used by the URC.

EMERGENCY RESOLUTION:

Following Sarah's rejection of URC Youth's mock motion, GAG will now be holding an emergency session to vote on it, as we feel the addition of lightsabres into our business sessions is essential to the life and work of the United Reformed Church.

This session will be held in the bar on Sunday, when England are 2-0 down at half time (at least). Pints strongly encouraged. The paper is now available at this link <https://bit.ly/3xV8m5Y>

Black Market

We sell first time speaker cards as well as fake birth certificates. We accept cake as well as lightsabers for payment.

CLERK WANTED OVER SPEAKER CARD SCANDAL!

Michael Hopkins is currently under investigation by GAG police, as evidence was found of used first time speaker cards on the Black Market. If anyone has any information on this pressing matter please reach out to the GAG chief of police (Chief journalist).
