

## Hymn Suggestions for Eastertide

*There are seven weeks of Easter and it can be a challenge to find material to cover each week well. In the table below we suggest a range of gathering, closing and communion songs, some generic Easter hymns and a selection of material responding to the readings each week. Some gathering songs would work elsewhere in the service. We hope this gives you a broad menu, across the hymn books most often used in the URC from which to choose a satisfying diet to celebrate Easter.*
