Responding to the Urgent Needs of children in Gaza

International Orthodox Christian Charities (IOCC) work in partnership with Christian Aid.

They have been working in the Holy Land since 1997 to address various needs.

The ongoing conflict in the Gaza Strip has taken a devastating toll on mental and physical health, especially among the children.

In response, IOCC are offering safe spaces to children and their care givers. Services include psychosocial and various recreational activities to children and their caregivers to help them cope with trauma and instability. Thank you for supporting *Commitment for Life* in helping IOCC to help children and families improve mental well-being and build resilience for the future.

Middle East Justice Appeal

The United Reformed Church have joined up with All We Can from the Methodist Church to support the State of Palestine and Lebanon.

Pray with us:

Oh Jesus, how can we call a land "Holy" when a festival site becomes a killing ground; when a hospital becomes a grave?
Christ, have mercy upon the land of your birth and all who know it as home.
May Isaiah's prayer for peace be heard today, where enemies come and eat together and the days of hurt and destruction are over. In Jesus' name we pray.
Amen
